# 6 DAHLIAS THE ALL PURPOSE

Retail Value \$3.85 . . . Yours for Only \$2.00 Prepaid

This noble flower is rapidly gaining in popularity and it's really easy to understand the reason for its rise to fame. The newer varieties are so beautiful and charming that you will admire them. They are so easy to grow—set the tuber flat, 6 to 8 inches deep. Cultivate frequently.

This collection contains one each of varieties mentioned below. No changes can be made in the varieties included in collection.

Where else can you buy such a worthwhile collection of the better dahlias at so little money? Compare the prices of the varieties offered in this collection with those in other catalogs and you will readily appreciate the Genuine Bargain we are offering.

**FORT MONMOUTH** (Informal Decorative) — Bloom 11" x 4" — Bush 6½'. Predominating color rich claret with brightness unusual in darker tones. Full-centered and well formed flowers are varied on long, stiff stems above the foliage. A very prolific grower and bloomer. Excellent for both garden use and the exhibition table ..... 75c each

**JANE COWL** (Informal Decorative) — Bloom 10" x 6" — Bush 5½'. A wonderful and dependable dahlia. Color a warm buff and old gold, blending to apricot and rose at the center. Giant flowers are held upright on strong stems. Excels as a cut flower, garden variety, or on the exhibition table. Large and impressive — sure to please ..... 50c each

**JERSEY BEAUTY** (Formal Decorative) — Bloom 6" x 4" — Bush 6½'. An exceptionally free, early bloomer with excellent keeping qualities. Unquestionably the most popular, especially for cut flower purposes. Flower large, deep and of perfect form on long stems. Color a most beautiful pink. Good for garden, cut flower or exhibition ..... 35c each

**KATHLEEN NORRIS** (Informal Decorative) — Bloom 10" x 5" — Bush 5½'. An outstanding exhibition variety which also makes an excellent showing in the garden or as a cut flower. Color is a true rose pink, deepening to mallow pink, with young central petals a lighter shade. The broad petals overlap each other. For best results do not plant this dahlia too early — early June is best ..... 75c each

**MONMOUTH CHAMPION** (Formal Decorative) — Bloom 11" x 4" — Bush 5½'. The brilliant scarlet orange blooms are excellent for exhibition purposes. One of the best of the recent introductions of immense size. A vigorous grower, perfect stems and insect-resistant foliage. A consistent prize winner ..... \$1.00 each

**SUPREME GLORY** (Decorative) — In our estimation the finest yellow decorative introduced to date. Large size flowers all abundantly produced. The blooms are a bright amber yellow. 50c each

for only \$1.00 Prepaid

ONLY \$1

This collection brings together 10 of the finest and most popular standard varieties of large fall-flowering chrysanthemums. The profuse amount of flowers provided will give you large bouquets late in the fall when all other flowers have passed. Never before has it been possible to offer such a fine collection of magnificent chrysanthemums at such a small cost. The collection will contain the following colors: two yellows, two bronze, two pink, two white and two reds — every plant being a different variety. They are strong, healthy plants, properly labelled for identification and shipped to you prepaid. You cannot afford to miss this rare treat.

## 5 HARDY NEW EARLY FLOWERING CHRYSANTHEMUMS

\$1.00

PREPAID

Here are Chrysanthemums that are really new, the first three varieties listed below being offered for the first time last year. It is by far the best collection of outstanding varieties to be had at such low prices. You must by all means purchase one or several of this collection for it will provide you with something very new for your this year's garden.

**GRANNY SCOVILLE** — Large flower about 4½ inches across. Excellent fluffy form. Color is a warm coral-bronze. Grows dwarf and branching with full healthy foliage. Needs a little extra protection over winter. Blooms early October. Height 2 feet.

**INNOCENCE** — A very effective, dwarf growing hybrid of the Korean Chrysanthemum. Seldom exceeds 18 inches in height, spreads about 2 feet. Flowers completely cover plant when in full bloom. Opening flowers pure white changing to soft pink.

**CAVALIER** — Dazzling single Chrysanthemum of a rich vermillion-red which does not fade. Its free flowering and branching habit produces a gorgeous showing in the garden. Blooms about October 15th. Height 2½ feet.

**ALADDIN** — This is the new very early flowering mum that is receiving so much attention. It usually begins blooming in June and continues until November. Blooms are 2½ inches across, very fluffy and exquisitely shaped and of a most beautiful rich bronzy color.

**PINK CUSHION** — One of the most talked about varieties. Literally covered with blooms. Hundreds and hundreds of flowers on one plant. Long blooming period — August till November. No other hardy perennial will make such a show. Color delicate pink.

### 6 varieties BUTTERFLY BUSH including the NEW PURPLE—ILE DE FRANCE

\$1.25  
PREPAID

Because of its attraction for butterflies, this shrub has become very popular. It is in bloom continuously from July until frost, bearing long spikes of fragrant, brilliant, lilac flowers having orange centers. This collection of 6 varieties, everyone of which will be labelled, includes that beautiful new purple variety ILE DE FRANCE which is a glorious Buddleia of immense size and rich purple color — none other like it. Also that other very choice variety Buddleia Alternifolia, with long arching branches covered with clusters of lilac-purple flowers, the tops of which, unlike other Buddleias, do not die down during the winter. These two varieties alone are easily worth the price of the entire collection.

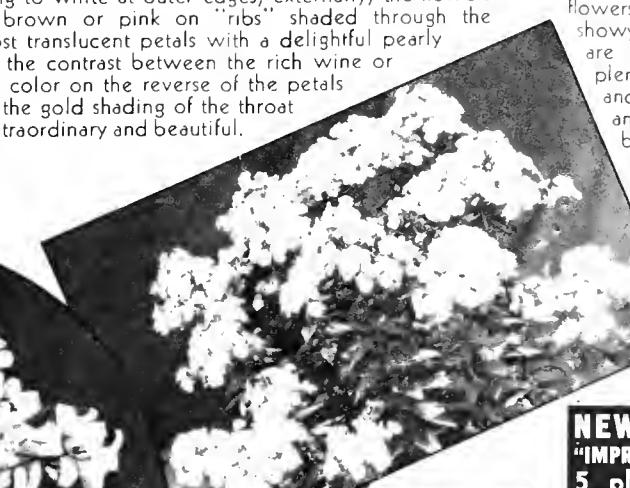

### 6 BEAUTIFUL DELPHINIUMS \$1.00 PREPAID

Few plants lend a greater attraction to the garden in early summer than bold masses of Delphiniums. They require so little care and thrive well in ordinary garden soil. Plant 18 inches to two feet apart. To obtain a second crop of flowers prevent first flowers from seeding. This marvelous collection of Delphiniums consists of 6 choice English Hybrid varieties, famous Blackmore and Langdonstrain. Colors range from light thru the intermediate shades to dark blue.

### 6 REGAL LILIES \$1.25 GOOD BLOOMING BULBS PREPAID

There has perhaps been more good things said about the Regal Lily than any other lily in cultivation today. It is magnificent. The throat is flushed with yellow, shading to white at outer edges; externally, the flowers are brown or pink on "ribs" shaded through the almost translucent petals with a delightful pearly tint; the contrast between the rich wine or pink color on the reverse of the petals and the gold shading of the throat is extraordinary and beautiful.

### 8 HARDY PHLOX \$1.25 PREPAID

Of all the hardy garden perennials the phlox are among the leaders for they are very easy to grow and produce gorgeous flowers. Their magnificent spikes of showy, lasting and fragrant flowers are very captivating. Give them plenty of water at the approach of, and during the blooming season and they will reward you with a beautiful array of phlox during the difficult month of August. The varieties we are offering are all exceedingly choice in every way. Everyone will be labeled for identification and will consist of 1 white, 1 blue, 1 salmon, 3 pinks and 2 reds. Choice phlox are really scarce this year. Order now before it is too late.

### NEW HARDY CARNATION "IMPROVED CRIMSON KING" 5 plants sent prepaid \$1.25

This is the Carnation which created such a sensation at the World's Fair last summer. Every one who sees it remarks about its rare beauty. It is without doubt the best hardy large flowering carnation ever introduced. Foliage is dark olive green. Stout stems support flowers of rich crimson in great profusion from middle June till heavy frosts occur. You just can't be without this remarkable flower.

### KUNDERD'S HIBISCUS (MALLOW MARVELS)

8 clumps \$1  
Express charges collect

The Hibiscus or Mallow Marvels as they are often called are the largest flowers that grow in the summer garden and present a gorgeous sight when in bloom. Growing 3 to 8 feet tall the branches spread out over a large area. Plant either among shrubs, or use as a substitute for shrubs. Begin blooming in July, continuing through August and September.

The Mallows we offer are not the ordinary run of Hibiscus, but have been produced from the finest strains available. The collection contains the very choicest of mixed seedlings and they come in all shades of pink; some pink with red throats; white with red throats, pure white; red; and an occasional cream colored one.
